Dexter meets This Savage Song in this dark fantasy about a girl who sells magical body parts on the black market until she's betrayed.

Nita doesn't murder supernatural beings and sell their body parts on the internet her mother does that. Nita just dissects the bodies after they've been acquired. But when her mom brings home a live specimen, Nita decides she wants out dissecting living people is a step too far.

But when she tries to save her mother's victim, she ends up sold on the black market in his place because Nita herself is a supernatural being. Now Nita is on the other side of the bars, and there is no line she won't cross to escape and make sure no one can ever capture her again.

Nita did a good deed, and it cost her everything. Now she's going to do a lot of bad deeds to get it all back.

Not Even Bones (Market of Monsters, #1) by Rebecca Schaeffer Not Even Bones follows Nita, a girl who dissects other supernatural beings for the black market - until she's sold into the black market herself. So first of all, this book is impossible to put down and so addicting. Amazon.com: Not Even Bones (9781328863546): Rebecca ... Rebecca Schaeffer's NOT EVEN BONES is a difficult novel to categorize. It's being marketed as a YA thriller and the central character, Nita, is a teenager, so that makes sense. But the world Schaeffer has created is horrifically perverse, and the story she tells is gruesome, bloody, and grotesque. Not Even Bones by Rebecca Schaeffer, Hardcover | Barnes ... Not Even Bones takes the reader into an enchanting fantasy world that forces them to think closely about the way we categorize people, and whether it's fair or inherently prejudiced. It keeps the turning pages until it finally reveals Nita's fate.
